

Competitive, conscientious ... a complete service

A BRIEF HISTORY ...

Founded in 1992, the company primarily dealt with the marine bunker and lubricant trading. Island Oil was quickly embraced by the industry and was entrusted by blue chip clients from local and international shipping markets, building a strong reputation as a reliable partner-supplier. Headquartered in Limassol, Island Oil Ltd is the flagship of a group of companies mainly active in the marine and domestic fuels sector. The company has physical supply stations in Cyprus, Romania and Israel, share-holding in a fuel depot in Ukraine and additional offices in Piraeus, Constanta, Odessa, Nice, Singapore and Haifa.

Today, Island Oil Ltd is a major recognized player in the global bunker market. This has been achieved through a client-oriented approach, strong financial management, controlled growth and a highly skilled and trained team of professionals. With offices strategically located in key Mediterranean, Black Sea and Far East ports as well as collaborating with an international portfolio of suppliers, Island Oil provides for your bunkering needs anywhere in the world. Island Oil is a member of IBIA, CYMEPA and the Cyprus Shipping Chamber.

Quality, Reliability Competitive Pricing Personalized Service

Quality Assurance

Our commitment to quality is reflected in our ISO 9001:2008 certification by DNV-GL. Further, two of the Group's vessels, managed by Petronav Ship Management Ltd., the M/T "Alexandria" and the M/T "Amalthia" were awarded by E.M.S.A. the contract for Stand-by Oil Recovery for the Eastern Mediterranean Sea and Black Sea respectively.

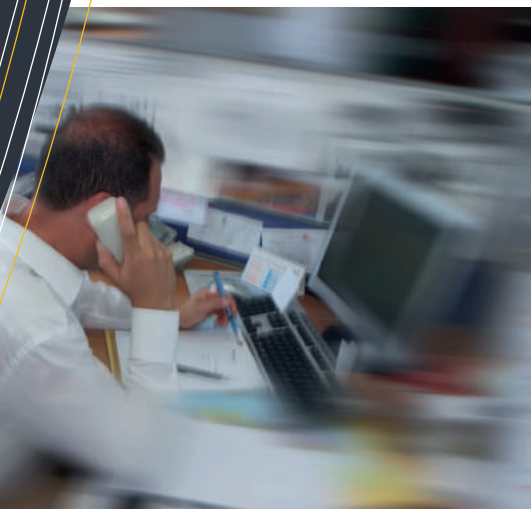

Our Customers

Our customers are our primary business focus. We always aim to create a relationship of trust and mutuality in all of our dealings through our actions. This includes:

- to treat our customers with respect at all times
- to provide a reliable, cost-efficient service tailored to their needs
- to provide high quality products and services

Our Team

Island Oil is characterised by a strong management team, backed by professional, qualified and motivated staff, operating within a 'total quality' philosophy. Our company's client-oriented approach has distinguished it among its competitors. Throughout its growth, Island Oil maintained the flexibility and unique character its clients have grown accustomed to. Since its inception, the company's aim has been to 'add value' to its clients' requirements by offering quality products and services at competitive prices and cutting edge comparative market intelligence. This optimises the client's position in a complicated and volatile global supply market. Island Oil's experience ensures the smooth handling of each client's bunker requirements from enquiry to nomination, post-fixture and delivery. The team's philosophy remains customer focus while the broad range of services now offered is testament to the strong partnerships with clients and suppliers.

- IFO CST-380 (RMG380) with sulphur 3.5% max
- IFO CST -180 (RME 180) with sulphur 3.5% max
- All intermediate grades down to IFO CST-30 (RMA 30)
- MGO (DMA) with sulphur 0.1% max

Product Specs: As per ISO 8217-2010
Road Truck Supply: For the ports of Constanta, Agigea, Mangalia, Murfatlar - Supplying only MGO (DMA with sulphur 0.1% max)

ISRAEL

Enhanced physical presence within the Eastern Mediterranean Sea area, supplying at Haifa in-port and anchorage, as well as offering services to vessels for "bunkers-only" calls, accommodating the following grades:

- IFO CST-380 (RMG380) with sulphur 3.5% max
- IFO CST-180 (RME180) with sulphur 3.5% max
- All intermediate grades down to IFO CST-30 (RMA 30)
- MGO (DMA) with sulphur 0.1% max

Product Specs: As per ISO 8217-2010

International Trading

Through its office network, Island Oil offers marine bunkers for supply at all available delivery points across the globe, offering insight into:

- Ever-changing bunker prices
- Trends (price & availability trends)
- Port conditions & calling costs
- Reliability of local suppliers
- Developing strong, long – lasting relations with customers and local suppliers
- Focusing on customer needs in a most cost effective way

Ship Agency Services

Island Oil Limited acts as Shipagents for vessels calling for 'bunkers only', crew changes, provisions, awaiting orders, thus offering comprehensive and competitive packages within specific ports of Cyprus and Romania.
